Recreation and Park Commission for the Parish of East Baton Rouge
Alcohol Policy

PURPOSE

The purpose of this policy is to establish the rules and regulations regarding the service or sale and service, and the associated consumption, of alcoholic beverages in BREC facilities and parks. It is the intention of BREC to provide the citizens of East Baton Rouge Parish the broadest range of opportunities to enjoy its facilities and parks while protecting the community and its citizens from abuse and disruptive behavior. To this end, alcoholic beverages are prohibited in all BREC parks and facilities, except for "Sites Designated for Conditional Consumption of Alcoholic Beverages" listed below.

ALCOHOLIC BEVERAGE POLICY & REQUIREMENTS FOR SITES DESIGNATED FOR CONDITIONAL CONSUMPTION OF ALCOHOLIC BEVERAGES

- All sites designated for conditional consumption of alcoholic beverages (see list below), must be licensed by the Office of Alcoholic Beverage Control /City of Baton Rouge/Parish of East Baton Rouge and the Office of Alcohol and Tobacco Control/State of Louisiana.

- Alcoholic beverages must be consumed on site and no alcoholic beverages will be allowed to leave the site.

- All designated sites must use a licensed bartender service to serve alcoholic beverages or the site's staff must be trained and licensed. Patrons are prohibited from bringing and serving their own alcoholic beverages.

- All licensed bartender service providers must possess liquor liability insurance with a minimum coverage of $1 million per occurrence and list BREC as an additional insured. However, the Alcohol Consumption Compliance and Management Plan for a specific BREC designated site may require additional insurance.

- Food must be served in conjunction with the consumption of alcoholic beverages.

- In the case of events or facility rentals with multi-age attendees, alcoholic beverages must be served and consumed in a designated area.

- Alcoholic beverages at Sporting Event and Tournament Sites are allowed only for adult tournaments and adult programs.

ALCOHOL CONSUMPTION COMPLIANCE AND MANAGEMENT PLAN

Airline Fairgrounds

Airline Fairground events are events where alcoholic beverages are sold, or supplied as part of general admission or other type fee. Fairground events do not include private parties where no sales are made or fee charged, and where the only purpose in applying is to obtain product or services from a wholesale dealer. No approval for the consumption of alcohol will be given to an event targeting youth. A youth event is defined as any event with the majority of participants being under the legal drinking age of 21. Only sponsors of major events approved by BREC are eligible to apply for permission to sell beer and wine at the fairgrounds.

BREC requires at least a (60) day notice on all requests to sell beer and wine. Approval from BREC to sell beer and wine does not guarantee a permit will be granted for the event. Upon approval from BREC, the LESSEE must go before the Metro Council to seek a Special Event Alcohol Permit from the ABC Board. BREC must receive a copy of all licenses obtained from the ABC Board ten (10) days prior to the event. The LESSEE will be provided with names of taxi/limo services for those that may need assistance with a ride home.

Approval requires the LESSEE, at LESSEE's expense, to carry a minimum of a $5,000,000 general liability insurance policy listing BREC as a third party on said policy. BREC must receive a copy of the insurance ten (10) days prior to the event.

A maximum of two beers or wine per person may be purchased or served at a time. Alcohol shall only be served in clear plastic containers or cans, 12 oz. maximum size. No glass containers are allowed. Drink tickets, cash bar, or wristbands are tools that the LESSEE may be required by BREC to use to better control the distribution of alcohol during a facility rental.

Underage drinking is strictly prohibited in all BREC facilities and parks. Age determinations will be the legal age as designated by the State of Louisiana. Patrons consuming alcohol must present an eligible driver's license to the designated alcohol servers. If an underage guest is found consuming alcohol, the LESSEE will be immediately notified as will the on-site security.

Designated areas for consumption of alcohol will include all areas on the grounds inside the fairground's fences. Selling of alcohol will take place from predetermined locations within the fairgrounds and approved by BREC. Signs will be posted at fairground exits stating "No alcohol will be allowed beyond this point". Garbage cans will be placed at exit points for the disposal of alcoholic beverages.

The LESSEE must provide at its own expense adequate police protection for the operation of the activity. The number of officers needed to provide adequate police protection will be based on the nature of the activity and number of expected participants and will be determined by the Security Agency. A signed letter from the Sheriff's Department, City Police Department or other Security Agency stipulating the number of officers needed and their commitment to work at this event must be on file with the Recreation Department no later than **ten (10) days prior to the event.** Security Agencies working the event must have authority to

search/scan patrons and to make arrests. If in the event a larger crowd is present than expected, LESSOR has the authority to require LESSEE to immediately provide additional security officers. If additional officers are not provided, LESSOR has the right to cancel the event due to insufficient security.

Beer and wine sales will be carefully managed and monitored in accordance with all state and local laws and regulations. BREC and LESSEE will immediately address issues of public intoxication and antisocial behavior. Anyone in this condition will be first given a warning and the opportunity to cease the activity. If a person appears intoxicated, LESSEE will not sell beer or wine to that patron. If the patron becomes belligerent, local law enforcement will be contacted to handle the matter.

Hours of alcohol consumption are as follows: Monday-Sunday from 8:00am to 10:00pm. Hours may be varied with prior permission from BREC.

In conjunction with the event, tobacco, alcoholic beverage or gambling enterprise advertisements on or off the premises, including radio or TV commercials and print media ads are not allowed. An alcoholic beverage sponsorship may not be promoted. For example, no events such as a "Budweiser presents Baloney and Big Trucks" will not be advertised as being sponsored by an alcoholic beverage distributor, tobacco company, or gaming venue.
