

East Baton Rouge Emergency Medical Services

Medical Explorers

Interested in a career in health care?

- *Receive the valuable experience needed for many health care programs such as medicine and nursing.*
- *Receive formal medical training in pre-hospital medicine.*
- *Work along side EMS Paramedics as you respond to various 911 emergency calls.*
- *Participate in many public activities and exhibitions.*

This program is available to motivated, mature students from 15-18 years old. Please contact East Baton Rouge Emergency Medical Services (EMS) at 389-5155 or e-mail Andre' Toups (atoups@brgov.com) for additional information.

Our First Night Meeting will be January 15, 2009, 7pm at the City Parish Emergency Communication/Operations Center located at 3773 Harding Blvd. (across the street from I-Hop)
