

The current purchasing ordinance requires approval of the Metropolitan Council, the Office of the Parish Attorney, and the Mayor-President on all professional services contracts (PSC) and operating services contracts (OSC) exceeding \$17,500. The Metropolitan Council, through the adoption of the 2015 Annual Operating Budget (AOB), authorizes the Mayor-President to enter into the professional and operating services contracts with the named individuals listed below (contract amounts have been rounded to the nearest \$10). Listing of the contracts in this section does not preclude the requirement to satisfy all procurement and other review requirements. Cooperative endeavor and operating agreements with non-profit or governmental agencies are contingent upon annual appropriations.

- Contracts listed for information purposes only include contracts for which the amount does not require Council approval:
- (BID) Contracts that are awarded based on the lowest bids received by the Purchasing Department;
- (RFP) Contracts awarded based on a formal Request For Proposal process through the Purchasing Department;
- (RFQ) Contracts awarded based on a formal Request For Qualification process through the Purchasing Department;
- (SSP) Maintenance on systems that can be performed only by the system vendor as a Sole Source Provider.

The current purchasing ordinance requires approval of the Metropolitan Council, the Office of the Parish Attorney, and the Mayor-President on all professional services contracts (PSC) and operating services contracts (OSC) exceeding \$17,500. The Metropolitan Council, through the adoption of the 2015 Annual Operating Budget (AOB), authorizes the Mayor-President to enter into the professional and operating services contracts with the named individuals listed below (contract amounts have been rounded to the nearest \$10). Listing of the contracts in this section does not preclude the requirement to satisfy all procurement and other review requirements. Cooperative endeavor and operating agreements with non-profit or governmental agencies are contingent upon annual appropriations.

- Contracts listed for information purposes only include contracts for which the amount does not require Council approval:
- (BID) Contracts that are awarded based on the lowest bids received by the Purchasing Department;
- (RFP) Contracts awarded based on a formal Request For Proposal process through the Purchasing Department;
- (RFQ) Contracts awarded based on a formal Request For Qualification process through the Purchasing Department;
- (SSP) Maintenance on systems that can be performed only by the system vendor as a Sole Source Provider.
